

## LEXINGTON CITY SCHOOLS 2017-18 SNOW ROUTES

On days when Snow Routes are in effect, buses will stop only at the stops indicated on these routes. Buses will stop near the intersection of the locations listed, and at times close to those listed. The listed times are estimates. The exact time that the bus arrives will vary somewhat. Students without alternative transportation to school should make every effort to get to the stops prior to the times listed. If school is delayed for two or three hours, the system may choose to use the snow routes.

## ESCUELAS DE LA CIUDAD DE LEXINGTON RUTAS PARA LOS DIAS DE NIEVE-2017-18

En aquellos días en los cuales sea necesario usar las rutas para la nieve, los buses se detendrán sólo en las paradas indicadas en dichas rutas. Los buses se detendrán cerca del cruce de las locaciones indicadas y, a veces, cerca de aquéllas enumeradas. Los horarios señalados son aproximados. La hora exacta de la llegada del bus variará un poco. Los Estudiantes sin transporte alternativo para venir a la escuela deberían hacer el máximo de esfuerzo para llegar a las paradas antes del horario señalado Si la entrada a la escuela está retrasada en dos o tres horas, el sistema puede decidir usar las rutas para la nieve. Si se usan las rutas para la nieve, se utilizará el sistema Alerta Ahora, las noticias en la televisión y la página web del Sistema para informarlo a la comunidad. Un retraso de dos o tres horas no significa necesariamente que se usará las rutas para la nieve.
