Re: Change in LCS Calendar for March 2024

Please note the following changes and revisions to the LCS 2023-2024 Calendar for the month of March 2024. On the originally published calendar, both March 22 and March 27 are reflected as the end of the 3rd Quarter and early dismissal days. Please note the following change and calendar update: March 27, 2024 is the end of the 3rd Quarter, and will be an early dismissal/professional development day. March 22, 2024 will be a regular scheduled school day (full instructional day).

Included in this update is a copy of the revised LCS Calendar for the 2023-2024 school year which reflects this change.
