HOW TO SUBMIT PROFESSIONAL DEVELOPMENT

Professional Development consists of workshops, courses, and activities that earn a staff member CEU's-Continuing Education Units.

Continuing Education Units are awarded based on the time spent in the activity course. One unit=10 hours. .5 units = 5 hours

CEU's fall into 1 of 6 categories: Subject Area, Literacy, Digital Learning, Professional Discipline, Executive Role, and General. Your license and assignment will dictate which categories apply to you.

- The Human Resource Department will decide in which category each activity falls.
- Some certificates will include the category for the participant.
- **If the activity is IN-HOUSE, it will be approved prior to the activity and the category will be included in the approval.**
- **If the activity is EXTERNAL, it must be on the External PL Opportunities list or it MUST be pre-approved by HR for credit. To see the list use this link for the EDUCATOR HIVE.**
- The categories may be split. For example, you may receive 2 units for a 20 hour workshop that directly relates to your subject area and literacy. The 2 CEU's can be split into 1 for subject area (content) and 1 for literacy.

To submit a certificate or transcript for a course, use the email address:

renewalcredits@lexcs.org

You may also submit via intra-district mail-send to the HR Department **All PD must be submitted within 90 days of activity.**

All submitted certificates or transcripts must include the following:

Your Name, Source, Date, Title of Activity, and CEU Credits
# RENEWAL REQUIREMENTS

## HOW MANY UNITS DO YOU NEED?

### DEFINING CATEGORIES

#### GRADES K-5
- 3 SUBJECT AREA (30 HOURS)
- 3 LITERACY (30 HOURS)
- 2 DIGITAL LEARNING (20 HOURS)

#### GRADES 6-12
- 3 SUBJECT AREA
- 2 DIGITAL LEARNING
- 3 GENERAL

#### STUDENT SERVICES PERSONNEL
- 3 PROFESSIONAL DISCIPLINE
- 2 DIGITAL LEARNING
- 3 GENERAL

#### ADMINISTRATORS
- 3 EXECUTIVE'S ROLE
- 2 DIGITAL LEARNING
- 3 GENERAL

## SUBJECT AREA (CONTENT)
- Content for elementary teachers is Math, Science, Social Studies and English Language Arts.
- Other classroom teachers such as PE, Music and Art can take staff development related to subject area to meet the Content requirement.
- Content must align with NC Teaching Standards III and IV: Teachers Know the Content They Teach and Teachers Facilitate Learning for Their Students.
- Content includes trainings that emphasize the integration of and interconnectedness of curriculum. Subject matter credits will be approved for qualified trainings in such topics as “reading across the curriculum”, “writing across the curriculum”, and other trainings designed to integrate best practices into a variety of subjects.
- Coaching clinics are not considered “content” for physical education teachers.

See Pages 4-8 for Standards III and IV.

## LITERACY
- Literacy is defined as “evidence-based assessment, diagnosis, and intervention strategies for students not demonstrating reading proficiency. Oral language, phonemic and phonological awareness, phonics, vocabulary, fluency, and comprehension shall be addressed in literacy related activities leading to license renewal.” (G.S. 115C-270.30(b) (2)

## DIGITAL LEARNING
- Digital Learning includes all workshops/activities and courses that focus on the student use of technology in the classroom as well as the teacher’s use of technology to deliver instruction, improve data collection and communication with students and their families.
HOW TO RENEW YOUR LICENSE
HOW TO FIND AND PRINT YOUR CEU’S
LICENSURE SYSTEM DIRECTIONS

STEPS TO LOOK UP YOUR CEU’S

1. You must be connected to our school network.
2. Open Internet Explorer (MUST use this specific browser!).
3. Navigate to the LCS district homepage.
4. Hover over "Employees" on the menu bar.
5. Under "Employee Resources" click on "License and Staff Development Info". Follow the directions to bypass security warnings. (our Internet firewalls are secure)
6. You can also access your renewal credits using the Educator Hive site-use link
7. From the options on that page, select "Lookup My License Renewal Credits and UID Number".
8. When the page opens, enter your SSN in the top box and click on the "Lookup" button.
9. The first row labeled "Current" in the top grid will show you the renewal credits we currently have entered for you in our tracking system for your current renewal period.
10. Double-click on the page to remove your SSN.
11. Print to PDF for your records.

FINAL STEP-RENEWING YOUR LICENSE

In the spring, DPI will open up the renewal process. Follow these steps to renew:

1. You will receive an email from DPI with instructions to follow and a link to the online license system. You can also find that link in the HIVE and under the Employee tab under "License and Staff Development Information".
2. When you log in, use your personal email (in case you change school districts).
3. If you have never logged in, use the "NCDPI Registration" link in lower left corner.
4. If you can't remember your username and/or password, call (919) 716-1800 and select Option 2.
5. There is a $35 processing fee when you renew your license.
6. Congratulations! You have renewed your license.
NC Teacher Evaluation Process

Standards III and IV

Refer to Standards III and IV when choosing workshops/activities/courses that fall into the Subject Area/Content Category for CEU’s.

North Carolina Teacher Evaluation Process

**Standard III: Teachers Know the Content They Teach**

<table>
<thead>
<tr>

<td>Secondary: Incorporates a wide variety of literacy skills within content areas to enhance learning.</td>
<td>Secondary: Evaluates and reflects upon the effectiveness of literacy instruction within content areas.</td>
<td>Secondary: Makes necessary changes to instructional practice to improve student learning.</td>
<td></td>
</tr>
</tbody>
</table>

**Element IIIb: Teachers know the content appropriate to their teaching specialty.** Teachers bring a richness and depth of understanding to their classrooms by knowing their subjects beyond the content they are expected to teach and by directing students’ natural curiosity into an interest in learning. Elementary teachers have broad knowledge across disciplines. Middle school and high school teachers have depth in one or more specific content areas or disciplines.

<table>

<tr>
<td>□ Demonstrates a basic level of content knowledge in the teaching specialty to which assigned.</td>
<td>... and demonstrates an appropriate level of content knowledge in the teaching specialty to which assigned.</td>
<td>... and applies knowledge of subject beyond the content in assigned teaching specialty. Motivates students to investigate the content area to expand their knowledge and satisfy their natural curiosity.</td>
<td>... and extends knowledge of subject beyond content in their teaching specialty and sparks students’ curiosity for learning beyond the required course work.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
**Element IIIc. Teachers recognize the interconnectedness of content areas/disciplines.** Teachers know the links and vertical alignment of the grade or subject they teach and the North Carolina Standard Course of Study. Teachers understand how the content they teach relates to other disciplines in order to deepen understanding and connect learning for students. Teachers promote global awareness and its relevance to subjects they teach.

<tr>
<td>✓</td>
<td>□ Understands the links between grade/subject and the North Carolina Standard Course of Study.</td>
<td>□ Displays global awareness.</td>
<td>□ Promotes global awareness and its relevance to the subjects.</td>
<td>□ Integrates global awareness activities throughout lesson plans and classroom instructional practices.</td>
<td>□ Collaborates with teachers from other grades or subject areas to establish links between disciplines and influence school-wide curriculum and teaching practice.</td>
</tr>
<tr>
<td>✓</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td>□ Promotes global awareness and its relevance to all faculty members, influencing curriculum and teaching practices throughout the school.</td>
</tr>
</tbody>
</table>

**Element IIIId. Teachers make instruction relevant to students.** Teachers incorporate 21st century life skills into their teaching deliberately, strategically, and broadly. These skills include leadership, ethics, accountability, adaptability, personal productivity, personal responsibility, people skills, self-direction, and social responsibility. Teachers help their students understand the relationship between the North Carolina Standard Course of Study and 21st century content, which includes global awareness; financial, economic, business and entrepreneurial literacy; civic literacy; and health awareness.

**Element IVa. Teachers know the ways in which learning takes place, and they know the appropriate levels of intellectual, physical, social, and emotional development of their students. Teachers understand the influences that affect individual student learning (development, culture, language proficiency, etc.) and differentiate their instruction accordingly. Teachers keep abreast of evolving research about student learning. They adapt resources to address the strengths and weaknesses of their students.**

**Element IVb. Teachers plan instruction appropriate for their students.** Teachers collaborate with their colleagues and use a variety of data sources for short- and long-range planning based on the North Carolina Standard Course of Study. These plans reflect an understanding of how students learn. Teachers engage students in the learning process. They understand that instructional plans must be consistently monitored and modified to enhance learning. Teachers make the curriculum responsive to cultural differences and individual learning needs.

| ☑️ Recognizes data sources important to planning instruction. | ☐️ ☐️ Uses a variety of data for short- and long-range planning of instruction. Monitors and modifies instructional plans to enhance student learning. | ☐️ ☐️ Monitors student performance and responds to individual learning needs in order to engage students in learning. | ☐️ ☐️ Monitors student performance and responds to cultural diversity and learning needs through the school improvement process. |

**Element IVc. Teachers use a variety of Instructional methods.** Teachers choose the methods and techniques that are most effective in meeting the needs of their students as they strive to eliminate achievement gaps. Teachers employ a wide range of techniques including information and communication technology, learning styles, and differentiated instruction.

| ☑️ ☐️ Demonstrates awareness of the variety of methods and materials necessary to meet the needs of all students. | ☐️ ☐️ Demonstrates awareness or use of appropriate methods and materials necessary to meet the needs of all students. | ☐️ ☐️ Ensures the success of all students through the selection and utilization of appropriate methods and materials. | ☐️ ☐️ Stays abreast of emerging research areas and new and innovative materials and incorporates them into lesson plans and instructional strategies. |

---

<td></td>
</tr>
</tbody>
</table>

### Element IVe. Teachers help students develop critical-thinking and problem-solving skills.
Teachers encourage students to ask questions, think creatively, develop and test innovative ideas, synthesize knowledge, and draw conclusions. They help students exercise and communicate sound reasoning; understand connections; make complex choices; and frame, analyze, and solve problems.

| ✓           |            | ... and    | ... and      | ... and       |                                   |
|             | □ Understands the importance of developing students' critical thinking and problem solving skills. | □ Demonstrates knowledge of processes needed to support students in acquiring critical thinking skills and problem-solving skills. | □ Teaches students the processes needed to: | □ Encourages and assists teachers throughout the school to integrate critical thinking and problem solving skills into their instructional practices. |                                   |

|             |            | □ draw conclusions, | □ synthesize knowledge, | □ make complex choices, and |                                   |
|             |            | □ exercise and communicate sound reasoning, | □ draw conclusions, | □ frame, analyze and solve problems. |                                   |

### Element IVf. Teachers help students work in teams and develop leadership qualities.
Teachers teach the importance of cooperation and collaboration. They organize learning teams in order to help students define roles, strengthen social ties, improve communication and collaborative skills, interact with people from different cultures and backgrounds, and develop leadership qualities.

| ✓           |            | ... and    | ... and      | ... and       |                                   |
|             | □ Provides opportunities for cooperation, collaboration, and leadership through student learning teams. | □ Organizes student learning teams for the purpose of developing cooperation, collaboration, and student leadership. | □ Encourages students to create and manage learning teams. | □ Fosters the development of student leadership and teamwork skills to be used beyond the classroom. |                                   |
### Element IVg. Teachers communicate effectively

Teachers communicate in ways that are clearly understood by their students. They are perceptive listeners and are able to communicate with students in a variety of ways even when language is a barrier. Teachers help students articulate thoughts and ideas clearly and effectively.

<td>□ Establishes school-wide and grade appropriate vehicles to encourage students throughout the school to develop effective communication skills.</td>
<td></td>
</tr>
</tbody>
</table>

### Element IVh. Teachers use a variety of methods to assess what each student has learned

Teachers use multiple indicators, including formative and summative assessments, to evaluate student progress and growth as they strive to eliminate achievement gaps. Teachers provide opportunities, methods, feedback, and tools for students to assess themselves and each other. Teachers use 21st century assessment systems to inform instruction and demonstrate evidence of students' 21st century knowledge, skills, performance, and dispositions.

RENEWAL FOR RETIREES

TEACHERS WHO RETIRE WITH 30 OR MORE YEARS OF TEACHING
TEACHERS WHO RETIRE WITHOUT 30 OR MORE YEARS OF TEACHING

TEACHERS WHO RETIRE WITH 30 OR MORE YEARS OF TEACHING

Teachers who retire with 30 or more years of teaching experience may qualify for a **Lifetime License**. A **Lifetime License** requires no renewal. In order to earn a Lifetime License you must meet the following requirements:

- Must have completed 30 or more years of teaching as a licensed teacher with a current NC teaching license.
- Must have completed 30 or more years of creditable service with the Teachers' and State Employees' Retirement System (TSERS).

***Only those licenses that are appropriate for classroom instruction are eligible for a Lifetime License.***

***Administrators and other student-support professionals may be eligible for a Lifetime License in an approved teaching area provided they have met the 30-year requirement and have maintained an active license in the teaching area during the 30-year requirement.***

TEACHERS WHO RETIRE WITHOUT 30 OR MORE YEAR OF TEACHING

***There is 5-year window immediately following the retirement date during which a teacher is not required to obtain CEU’s. The expiration date of the retired teacher's current license has no bearing on these 5 years. If a licensed retired teacher applies for a renewal during this 5-year period, documentation from the Retirement System of the educator’s retirement date is required.***

Example:

- 5-year license cycle is 7/1/2018 to 6/30/2023
- Retirement date is 7/1/2021
- Eligible for renewal without CEU's from 7/1/2021-6/30/2026
- Any renewals for this license after 6/30/2026 will require CEU's.

For each license renewal cycle, retired teachers must provide evidence of

a. at least 640 hours of documented employment in a local school administrative unit, and;

b. 4.0 credits of professional development (a minimum of 8 hours annually X 5=40)

c. a standard renewal (refer back to page 2 of this pamphlet)
